*Hoarding
and the
Dangers in Recovery*

Bio-One

- Began in California in 1998
- 34 states with 44 Bio-One franchise locations
- “Bio Recovery” is our core business, but Hoarding recovery has been a staple for years
- We remediated over 915 hoarding homes in 2015 and are on track to remediate over 1000 in 2016.
- No company in the nation preforms more hoarding recovery then Bio-One.
- We always Help 1st and do business 2nd
